A. Eligibility Requirements & Certifications for 1997-98 Second Round Funding Applicants

The school district meets ONE of the requirements below in order to be eligible to receive \$40,000 for each class established for the purpose of expanding the K-3 Class Size Reduction (CSR) Program in the 1997-98 fiscal year, beyond the number of new classes established in the 1996-97 fiscal year, and for classes NOT previously funded:

- ☐ **1.** Fully implemented three grade levels of class size reduction in the **1996-97** fiscal year by establishing CSR classes of 20.44 average pupils or fewer in those grade levels at every elementary school **AND** expanded the K-3 Class Size Reduction Program in **1997-98**.

OR

- ☐ **2.** Did not meet the requirements above, but had new Option One classes established in the **1997-98** fiscal year for which funding was not previously received pursuant to Section 52122.1.

As a condition of apportionment, the school district certifies and completes each of the following items:

- 1.** The number of Option One classes established pursuant to the Class Size Reduction Program solely for the purpose of reducing class size in kindergarten and grades 1 to 3, inclusive, in the **1996-97** fiscal year was _____ (from J-7CSR P-2).
- 2.** The number of Option One classes established by the school district pursuant to the Class Size Reduction Program solely for the purpose of reducing class size in kindergarten and grades 1 to 3, inclusive, in the **1997-98** fiscal year was _____ (from J-7CSR P-2).

B. Eligibility Requirements & Certifications for All Applicants

As a condition of applying for and receiving K-3 Class Size Reduction Facilities Program funds, the school district certifies and completes each of the following items:

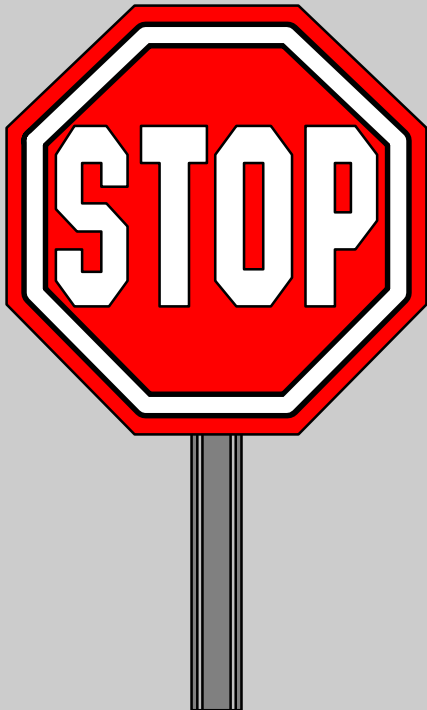

- 1.** The Governing Board of the above-named school district certifies as evidenced through a board resolution or board minutes that for the grades in which classes were reduced, the school district can show one of the following (**check ONE box only**):
 - ☐ **a.** The school district received funding from the Class Size Reduction Facilities Funding Program pursuant to Chapter 19 (commencing with Section 17200) of Part 10 of the Education Code in **1996-97**.
 - ☐ **b.** The school district was qualified as of November 16, 1997 (if applying for **1997-98** FY) or November 19, 1998 (if applying for **1998-99** FY), for new construction funding under the Leroy F. Greene State School Building Lease-Purchase Law of 1976 (Chapter 12, commencing with E.C. Section 17000) on a districtwide basis or for the relevant school attendance area, as defined in E.C. Section 17041. **Most recent project #** _____.
 - ☐ **c.** The school district has insufficient space to house all the new classes that need to be established in order for the district to participate in the Class Size Reduction Program contained in Chapter 6.10 (commencing with Section 52120) of Part 28 of the Education Code, as demonstrated through the eligibility calculation in E.C. Section 17203.5 (if applying for **1997-98** FY) or E.C. Section 17203 (if applying for **1998-99** FY) that shall be certified by the governing board of the school district.
- 2.** The Governing Board of the above-named school district certifies that the school district has submitted an application for funding under Option One of the Class Size Reduction Program for operations funding to create the new classes in order to expand class size reduction at the specified grades identified in Part C of this application.
- 3.** The Governing Board certifies that the funds allocated to the school district under the CSR Facilities Funding Program shall be expended solely for the purpose of facilities-related costs associated with the implementation of the CSR Program contained in Chapter 6.10 (commencing with Section 52120) of Part 28 of the Education Code.

*Any reference to school district shall be deemed to include any charter school (E.C. Section 52122.1(i))

C. Newly Established Classes (*Must Be Completed by All Applicants*)

The school district is applying for the Class Size Reduction Facilities Funding Program for the following number of **newly established** classes needed to expand (due to more classes implemented and/or growth) class size reduction in the designated grades and fiscal year(s) below pursuant to the Class Size Reduction Program contained in Chapter 6.10 (commencing with Section 52120) of Part 28 of the Education Code. **Indicate the total number of newly established classes by fiscal year regardless of CSR facilities funding previously received. The CDE will make the appropriate adjustments.** The district confirms that it applied for Operations Option One funding in the CSR Program (Education Code Section 52122(b)(2)(A)). If the school district did not increase the total number of Option One classes in the 1997-98 CSR Program above the 1996-97 levels (if applying for 1997-98 FY) or in the 1998-99 CSR Program above the 1997-98 levels (if applying for 1998-99 FY), it is not eligible for this facilities funding.

~If Box a or Box b is checked in Part B, Item 1, SKIP Parts D and E and complete Part F (Signature). There is no advantage to a school district which received Class Size Reduction Facilities Funding in 1996-97 or is in the State School Building Growth Program in completing Parts D and E.

~If Box c in Part B, Item 1 is checked, complete Parts D through F to qualify for funding under the alternate method. Please refer to the instructions for further details and see the note below:

Note: Language in AB 670 (Chapter 827, Statutes of 1997) that excluded the counting of seventh and eighth grade teaching stations and teaching stations at a school site leased to outside agencies prior to July 1, 1996 **was not** extended to the 1998-99 fiscal year. **Therefore, school districts that qualify for funding under Box c in Part B, Item 1 for the 1998-99 fiscal year must count teaching stations for Kindergarten through Grade 8, in addition to counting teaching stations at school sites leased to outside agencies.**

E.C. 17203. Any school district that seeks to qualify for funding under this chapter and that does not currently qualify for new construction funding under the Leroy F. Greene State School Building Lease-Purchase Law of 1976 (Chapter 12 commencing with Section 17000) shall complete the following calculations either on a districtwide basis or on the basis of each high school attendance area, as defined in Section 17041, to demonstrate eligibility for funding under this chapter.
